JETBLUE AIRWAYS CORPORATION IS ABOUT TO
STOP THEIR GROWTH PLANS DUE TO LOSSES. THEY
FEEL THIS METHOD WILL HELP.

We believe slower growth, combined with our rigorous cost
control and aggressive revenue focus, will further strengthen
our liquidity position, which is essential in this environment.

JETBLUE HAS ITS SIGHTS SET ON SOME NEW JETS
SINCE THEY MOST LIKELY WON'T GROW NEXT
YEAR. JETFUEL PRICES ARE KILLING THEM.

Revenue gains are clearly not keeping pace with the
extraordinary increase in the price of jet fuel.

JETBLUE HASN'T MADE MUCH PROFIT THIS YEAR.
COMPARED TO LAST YEAR, IT LOOKS TERRIBLE;
HOWEVER OPERATING REVENUES HAD A 17.7%
INCREASE THIS QUARTER.

OTHER AIRLINES AREN'T DOING WELL EITHER.

Last week, American Airlines and Delta Airlines each posted
losses of more than one-billion dollars in the second quarter.

ANALYSTS ALSO SAID THEY EXPECT THINGS TO
GET WORSE BEFORE THEY GET BETTER.

FOLLOWING A HEAT WAVE THROUGHOUT THE CITY
OF BROOKLYN, PREGNANT LADIES' BABIES
PROBABLY COULD HAVE BAKED.

The heat irritates me. I barely can sleep and I get dehydrated a lot.

THE BROOKLYN HEAT WAS SO BAD THAT SOME
LADIES BEGAN HAVING COMPLICATIONS.

I started to have contractions from being dehydrated.

IT'S IN EVERYBODY'S BEST INTEREST TO AVOID
THE SUN AT ALL COSTS.

I listened to my midwife's advice to stay inside and drink lots of water.

A GYNECOLOGIST AT LONG ISLAND COLLEGE
HOSPITAL SAID THAT IT'S VERY DANGEROUS TO BE
OUTDOORS AROUND THIS TIME.

Pregnant women who lose too much fluid from sweating in the heat are at risk of contractions, premature labor and miscarriage.

COMRIE ADVISES ALL PREGNANT LADIES TO
INCREASE FRUIT INTAKE AND FLUIDS FOR A
BETTER FEELING.
